What was your overall first impression of the website?

I think the website looks good. It does look like it uses a unique design that some may not like.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

No

What do you feel are the most effective design elements of this web portfolio?

I like the navigation.

What would you suggest be changed with the design or content of this web portfolio?

Perhaps make the pictures clickable for navigation.
