What was your overall first impression of the website?

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

When clicking on the project link, it scrolls down, but there is no link to go back to the top.

What do you feel are the most effective design elements of this web portfolio?

There were appealing images, and it was easy to find the different projects, and descriptions about them. I was able to leave feedback with no problem.

What would you suggest be changed with the design or content of this web portfolio?

ensure that the user has links to return to the previous pages, etc.
